We would like you to tell us what you think you will learn from filling in this application form.

GE YouthBank is part of the learning group and we would like to collect information about what you think you will learn filling in this application such as budget skills, interview techniques, computer skills, organisational skills confidence in meeting new people, or anything you think you may improve!

WHAT HAPPENS NEXT!

- The Young Grant Makers at GE YouthBank will read the application and decide if the applicant(s) should be invited to interview.
- We will write/email to you or call you for an informal chat to invite you to an interview or to let you know how your application does not fit our criteria.
- The purpose of the interview is for the Young Grant Makers to chat with you so they have a better understanding of your project idea as well as giving you the opportunity to tell them more about it or to ask more questions. The interview only lasts 10 - 15 minutes, the Young Grant Makers will ask five or six questions and the more information you give at the interview the more chance your project has of getting funding.
- You will receive a telephone call after the interview to tell you if your project idea has been successfully awarded a grant.
- We will then write/email to you letting you know where you can pick up your cheque and the rules you will have to follow when running your project.
- All successful projects will receive a Monitoring Form to complete. You must return this to YouthBank once your project has finished.
- Best of luck with your project!

Conditions

- All projects funded must acknowledge the support of YouthBank in all promotional material or publicity.
- If the grant is for the purchase of equipment etc, these must have adequate insurance cover and security. This is the responsibility of the applicant.
- If your organisation ceases to exist, GE YouthBank will decide how best to use any equipment acquired by a YouthBank grant.
- If the actual cost of the project is less than the approved funding the remainder must be returned to the GE YouthBank.
- Any project funded must, unless agreed, begin within 3 months of the date of the grant awarded, or the funding should be returned to YouthBank.
- No money should be spent until the grant has been secured.

Projects should:

- Help young people to feel good about themselves, join in and make decisions.
- Help young people to make something happen that they feel strongly about.
- Be of benefit to other young people.
- Help create a better understanding of young people in their community.
- Be a new idea.
- Have young people taking the lead, using their own ideas.
- Young people must apply. Adults can support but cannot make the application.

GE YouthBank offers you the opportunity to work towards a Youth Achievement Award as part of your project - this is an accredited qualification and looks great on your CV. If you would like more information please contact us at YouthBank or speak to your Youth Worker before you start filling in this application.

PLEASE NOTE, THE DECISION OF THE YOUTHBANK GRANTMAKERS IS FINAL. NO APPEALS AGAINST THEIR DECISION WILL BE CONSIDERED. I have read and agree to abide by the conditions outlined (please sign below)

CRITERIA & PRIORITIES

Glasgow East YouthBank funds projects that are developed by local young people. Any host organisation or adult should support the project but not control the project. Adults should adopt an active empowering approach with young people when they are developing any projects to be funded by YouthBank.

Criteria

Can you say YES to the following questions? If so then you are eligible to apply for a YouthBank Grant.

- Is your group made up of a majority of 12 - 25 year olds?
- Does your project idea benefit the wider community and not just the group that is applying?
- Do you meet and involve people from the Glasgow East area?
- Will your project help young people feel good about themselves and make something happen that they feel strongly about?
- Will your project benefit the wider community?
- Is led by and based on the ideas of young people?

Priorities

We will consider all applications that meet our criteria and will base all judgements on merit, however because of the issues young people face in Glasgow East we are keen to encourage young people to develop projects that:

- Projects that stop/prevent vandalism and gang fighting
- Safe entertainment for young people.
- Projects that support sport activities for young people
- Courses and training for young people.
- Projects that promote the health and wellbeing of young people.
- Projects that encourage young people to take responsibility for the local environment, community gardens or projects that clean up neglected areas of the community.
- Also, Youthbank will fund projects for vulnerable groups e.g. young carers, young parents etc.

GE YouthBank will fund: Activities, Equipment, trips or visits that are arranged by young people, classes, Eco gardens /projects and any good ideas that young people have for their community.
